Dear MedTech Members,

As Chair of the Governance and Nominating Committee of MedTech, I am writing to solicit your input regarding the nomination of Directors for the coming year.

Each year, we reach out to the community of MedTech members for suggestions of nominees who you think would contribute best to the Board and to MedTech. All members with an interest in and dedication to MedTech's mission are eligible. We welcome self-nominations, as well as your suggestions for other potential candidates for the Board. The success of MedTech is dependent upon the strength of its Board of Directors. Please take the time to participate in this process by contacting me with your nominations or self-nominations by Friday, June 13, 2014.

If you are nominating yourself, please be sure complete the Nomination form found here http://www.medtech.org/media/documents/2014/5/BOD_Nomination_Form_20142015.pdf and attach both the completed form and your résumé in an e-mail addressed to me.

If you are nominating someone else, please provide their e-mail contact information (if available) or other contact information, and we will contact that person and ask them to complete the Nomination form.

Sincerely,

Anne M. Schneiderman, Ph.D.
